

Public Interment Program (PIP) Alternatives

Low-cost options

An alphabetical listing of local funeral homes and direct disposers that have expressed an interest in providing low-cost options to families is provided below. While the Medical Examiner Department does not make endorsements or recommendations of any of these companies individually, it recognizes that some families may wish to have more than basic Public Interment Program (PIP) services and thus makes this information available. These low-cost services generally run between \$500 and \$1,000. Families should understand that PIP case processing normally requires 8 to 12 weeks.
